Session 4 Discussion of current issues in response to country needs

13:30 – 15:00

Current issues: Introduced briefly by discussants prior to specific plenary discussions.

- LLINs & IRS strategies for malaria control, elimination or eradication. Smith
- LLIN targeting (vulnerables, all households, or all sleeping spaces). Lengeler
- LLIN “Catch-up” mass distribution plus “Keep-up” systems or mass distribution only. Lengeler
- LLIN delivery models: role of public sector only or mixed public:private partnerships. Webster
- LLIN and ITN attrition and replacement; role of longer-lasting treatment. Kilian/Guimogo

15:00 – 15:30

Break

15:30 – 17:30

- IRS scale-up strategies with and without LLINs. Macdonald
- Turning untreated nets into ITNs (high UTM coverage situations outside Africa). Lines
- Insecticide resistance: preserving pyrethroids as a non-renewable resource. Rowland
- Taxes, tariffs and other regulatory issues. Mwenesi
- Adding integrated vector management to the WIN's mandate. De Savigny
- Others? Suggestions welcome

General discussion on lessons learnt and emerging needs.

17:45 Informal Reception at the Swiss Tropical Institute

FOURTH MEETING OF THE RBM WORKING GROUP ON
SCALABLE MALARIA VECTOR CONTROL (WIN)
24-26TH October, Basel, Switzerland

AGENDA

Travel advice

Arrival in Basel:

Please ensure you have any necessary visa to enter Switzerland. Schengen visas are not valid for Switzerland.

Intercontinental international flights to Switzerland for Basel usually terminate in Zurich with a 1 hour 20 minute train journey from Zurich airport to Basel. Direct trains run hourly at 4 minutes past the hour from Platform 3 under Zurich airport. Return fare Zurich-Basel is 70 CHF (~\$60 USD).

Flights originating within Europe can arrive directly at Basel at the EuroAirport on the Swiss-French-German border. This airport has two exits after baggage claim, one for France and one for Switzerland. Be sure to exit to Switzerland!!

Hotel:

Reservations have been made for you at the following hotel in central Basel:

Hotel Bildungszentrum 21
Missionstrasse 21, 4003 Basel
Tel: +41 (0)61 260 21 21
Fax: +41 (0)61 260 21 22
E-Mail: info@bildungszentrum-21.ch
www.bildungszentrum-21.ch

Hotel Bildungszentrum 21 is five minutes from the Basel's main train station, and 10 minutes from the EuroAirport by taxi (~\$20) or by tram or bus (~\$2). Trams and buses run every 15 minutes and stop about 10 minutes walking distance from the Hotel. If you are arriving by tram or bus, get off at the Brausebad stop. See attached map.

To ensure your hotel reservation, please confirm your arrival and departure dates as soon as possible to:

Ms Margrit Slaoui at the Swiss Tropical Institute
margrit.slaoui@unibas.ch

Meeting Venue:

All of the RBM WIN-4 meeting sessions will be held at the Schützenhaus which is about a 10 minute walk from the Hotel.

http://www.schuetzenhaus-basel.ch/engl/frame_e.htm

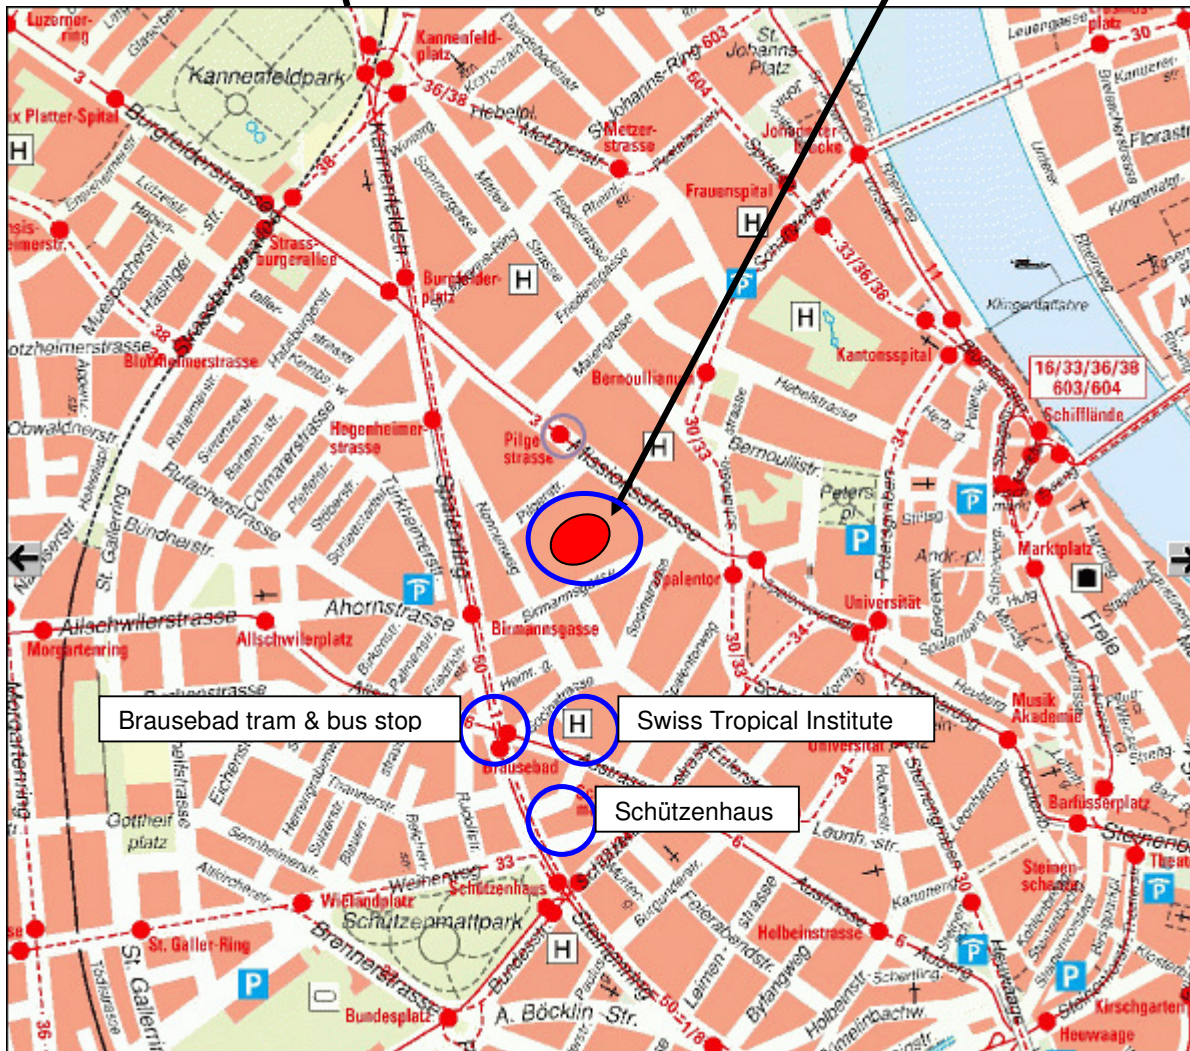

Weather:

Average daily temperatures in Basel in late October can range between 5C and 16C.

To Euroairport

Hotel Bildungszentrum 21, Missionsstrasse 21

Tel: +41 (0)61 260 2121

How to get to Hotel Bildungszentrum 21:

•From Railway Station Basel SBB

- By Tram No. 1 Direction Kannenfeldplatz/Dreirosenbrücke up to 4th tram stop at Brausebad
- Or By Bus No. 30 to bus stop Spalentor

•From EuroAirport

- By Airport Bus No. 50 in direction Railway Station Basel SBB and get off at Brausebad stop.

Railway Station Basel SBB
